1	QuickIT 28/03/2022 02:38:00 PM	<p>We are registered and recognized start-up and MSME (Micro) by the government of India. And start-ups, MSME (Micro) are exempted/relaxed for the following:</p> <p>1. EMD and Tender fee – MSME (Micro) and start-ups are exempted/relaxed from paying EMD and tender fee for any tender. I am enclosing an official document published by the ministry of MSME. Please refer page no.- 16 for your reference.</p> <p>2. Prior experience and turn-over – MSME (Micro) and start-ups are exempted/relaxed from prior experience and turn over criteria of the tender clause. I am enclosing an official document published by the ministry of MSME. Please refer page no.- 5, 6 for your reference.</p> <p>3. Any unreasonable clause – MSME (Micro) and start-ups are exempted/relaxed from any unreasonable clause which bares them to qualify technically. I am enclosing an official document published by the ministry of MSME. Unreasonable clauses such as ISO certificate, OEM authorized service provider, office presence in the city etc. Please refer page no.- 5, 6 for your reference.</p> <p>In short if we put together all these exemptions/relaxations, start-up and MSME (Micro) by default qualifies for the technical bid. Kindly provide us with all the exemption/relaxation provisioned by the government of India to empower start-ups like us. Please provide a level playing ground for all. Your early response if highly appreciated.</p>	<p>As per UIIC's procedures laid down by the Board for maintenance of IT equipment, the bidder should have :</p> <p>An average total turnover of Rs. 10 crores per year for the last three years (Mandatory).</p> <p>Made net profit at least in two years out of the last 3 financial years (Mandatory).</p> <p>Should have service center at least in RO Location i.e. in Patna (Mandatory).</p> <p>Other exemptions may be considered on providing supportive documents.</p>
