- **Bid reference Contract No.**
- **Do not open before 14.30 Hrs @ 17.08.2022**

19.9 In addition to the identification required in Sub-clause 19.2 the inner envelopes shall indicate the name and address of the bidder to enable the bid to be returned unopened in case it is declared late, pursuant to clause 21.

19.10 If the outer envelope is not sealed and marked as above, the Employer will assume no responsibility for the misplacement or premature opening of the Bid.

20. Deadline of Submission of Bids

20.1 Bids must be received by the Employer at the address as specified above not later than **14.30 Hrs. on 17.08.2022**. In the event of the specified date for the submission of bids declared a holiday for the Employer, the Bids will be received upto the appointed time on the next working day.

20.2 The Employer may extend the deadline for submission of bids by issuing an amendment in accordance with clause 10, in which case all rights and obligations of the Employer and the bidders previously subject to the original deadline will then be subject to the new deadline.

21. Late Bids

21.1 Any bid received by the Employer after the deadline for submission of Bids prescribed in Clause 20 will not be accepted and will be returned unopened to the Bidder. Any bid submitted in person after 14:30 PM on the due date will not be accepted. Similarly, any bid received by post after 3.00 PM on the due date will not be accepted and will be returned unopened to the bidder. Hence the bidders are requested to submit their bid well in advance i.e., before 3.00 PM as per the office clock on the dead line / extended dead line date and time of bid submission. The bidders can submit their bids on any day during the bid submission period.

22. Modification and the Withdrawal of Bids

- 22.1 Bidders may modify or withdraw their bids by giving notice in writing before the deadline prescribed in Clause 20
- 22.2 Each bidder's modification or withdrawal notice shall be prepared, sealed, marked and delivered in accordance with Clause 18 & 19, with the outer and inner envelopes additionally marked "**MODIFICATION**" OR "**WITHDRAWAL**", as appropriate.
- 22.3 No bid may be modified after the deadline for submission of Bids.
- 22.4 Withdrawal or modification of a Bid between the deadline for submission of bids and the expiration of the original period of bid validity specified in Clause 15.1 above or as extended pursuant to Clause 15.2 may result in the forfeiture of the Bid security pursuant to Clause 16.
- 22.5 Bidders may only offer discounts to or otherwise modify the prices of their Bids by submitting Bid modifications in accordance with this clause, or included in the original Bid submission.

E. BID OPENING AND EVALUATION

23. Bid Opening

- 23.1 The Employer will open all the technical proposals submitted by the Bidders in the presence of the bidders or bidders designated representatives who are present and who shall sign a register evidencing their attendance. In the event of the specified date of Bid opening being declared a holiday for the Employer, the Bids will be opened at the appointed time and location on the next working day.
- 23.2 Envelopes marked "WITHDRAWAL" shall be opened and read out first. Bids for which an acceptable notice of withdrawal has been submitted pursuant to Clause 22 shall not be opened. Subsequently all envelopes marked "Modification" shall be opened and the submissions therein read out in appropriate detail.

- 23.3** The Bidders' names, the bid prices, the total amount of each bid and of any alternative Bid (if alternatives have been requested or permitted), any discounts, bid modifications and withdrawals, the presence or absence of Bid Security and such other details as the Employer may consider appropriate, will be announced by the Employer at the opening. No bid shall be rejected at bid opening except for the late bids pursuant to Clause 21. Bids [and modifications] sent pursuant to Clause 22 that are not opened and read out at bid opening will not be considered for further evaluation regardless of the circumstances. Late and withdrawn bids will be returned unopened to bidders. The Price bid envelope will not be opened on the same day but on another day in the presence of the qualified Bidders or their authorized representatives. The date and time of opening the Price Bid envelope will be advised to the qualified Bidder in writing.
- 23.4** The Employer shall prepare minutes of the Bid opening, including the information disclosed to those present in accordance with Sub-clause 23.3.
- 23.5** Two cover bidding procedure will be adopted and will be processed as detailed below:

Bids (in two covers) must be delivered to the address below at or before 14.30 Hrs. office time on 17.08.2022. The first cover with Bid Security cover and Technical Bid cover shall be written on the cover as "Technical Bid" and "Bid Security" without any reference to the price. The second cover with Financial Bid shall be written on the cover, as "Financial Bid" will consist of Price Bid only.

Late Bids and Bids without Bid Security will be summarily rejected.

Date and time to open First cover is 15:30 hrs on 17.08.2022. After technical evaluation of the Bids, the employer will satisfactorily open the second cover (Price Bid) of the bidders who meet the minimum acceptable qualification criteria and who has submitted a technically responsive bid. Only the price bids of those bidders whose bids are found technically responsive and acceptable will be opened on the date and time to be intimated later and the price bids will be evaluated.

24. Process to be Confidential

- 24.1** Information relating to the examination, clarification, evaluation and comparison of bids, and recommendations for the award of a contract shall not be disclosed to Bidders or any other persons not officially concerned with such process until the award to the successful Bidder has been announced.

Any effort by a Bidder to influence the Employer's processing of bids or award decisions may result in the rejection of the Bidder's bid.

25. Clarification of Bids

- 25.1** During bid evaluation, the employer may, at his discretion, ask the Bidder for clarification of its Bid. The request for clarification and the response shall be in writing and no change in the price or substance of the Bid shall be sought, offered or permitted.
- 25.2** Subject to sub-clause 25.1 no Bidder shall contact the Employer on any matter relating to its bid from the time of the bid opening to the time the contract is awarded. If the Bidder wishes to bring additional information to the notice of the Employer, it should do so in writing.
- 25.3** Any effort by the Bidder to influence the Employer in the Employer's bid evaluation, bid comparison or contract award decisions may result in the rejection of the Bidder's bid.

26. Examination of Bids and Determination of Responsiveness

- 26.1** Prior to detailed technical evaluation of Bids, the Employer will determine whether each Bid (a) meets the eligibility criteria defined in Clause 3; (b) has been properly signed; (c) is accompanied by the required securities and; (d) is substantially responsive to the requirement of the Bidding documents.
- 26.2** A substantially responsive Bid is one that conforms to the requirements of the Bid documents without material deviations, objection, conditions or reservations. A material deviation, objection, condition or reservation is one (i) that affects in any substantial way the scope, quality or performance of the contract; (ii) that limits in any substantial way inconsistent with the Bid documents, the Employer's rights or the successful Bidders obligations under the contract; or (iii) whose rectification would unfairly affect the competitive position of other Bidders who presented substantially responsive Bids.
- 26.3** If a bid is not substantially responsive, it will be rejected by the Employer, and may not subsequently be made responsive by the Bidder by correction of the non-conformity,

27. Correction of Errors

- 27.1** Bids determined to be substantially responsive will be checked by the Employer for any arithmetic errors. Errors will be corrected by the Employer as follows:
- (a) Where there is a discrepancy between the rates in figures and in words, the lower of the two will govern; and
 - (b) Where there is a discrepancy between the unit and the line item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern.
- 27.2** The amount stated in Bid will be adjusted by the Employer in accordance with the above procedure for the correction of errors and with the concurrence of the Bidder, shall be considered as binding upon the Bidder. If the Bidder does not accept the corrected

amount the Bid will be rejected, and the Bid security may be forfeited in accordance with sub-clause 16.6 (b).

28. Evaluation and Comparison of Bids

- 28.1** The employer will evaluate and compare only the Bids determined to be substantially responsive in accordance with Clause 26 and as per Tamilnadu Transparency in Tenders Act 1998 and Rules 2000.
- 28.2** In evaluating the bids, the Employer will determine for each Bid the evaluation Bid Price by adjusting the Bid Price as follows:
- (a) Making any correction for errors pursuant to clause 27; or
 - (b) Making an appropriate adjustment for any other acceptable variations, deviations; and
 - (c) Making appropriate adjustments to reflect discounts or other price modifications offered in accordance with Sub-clause 22.5
- 28.3** The Employer reserves the right to accept or reject any variation, deviation, or alternative offer. Variations, deviations, and alternative offers and other factors, which are in excess of the requirements of the Bidding documents or otherwise result in unsolicited benefits for the Employer shall not be taken into account in Bid evaluation.
- 28.4** This is a fixed price contract and price escalation is not provided in this contract and the evaluation will be based on the fixed price quoted by bid.
- 28.5** If the bid of the successful Bidder is seriously unbalanced in relation to the Engineer's estimate of the cost of work to be performed under the contract, the Employer may require the Bidder to produce detailed price analysis for any or all items of the Bill of Quantities, to demonstrate the internal consistency of those prices with the construction methods and schedule proposed. After evaluation of the price analyses, the Employer may require that the amount of the performance security set forth in clause 34 be increased at the expense of the Successful Bidder to a level sufficient to protect the Employer against financial loss in the event of default of the successful bidder under the contract.

29. Negotiations

- 29.1 The Bids determined to be substantially responsive in accordance with Clause 28 will be taken into consideration and the rates of all the items and the total Bid value quoted by the Bidder will be compared with the estimate rates and the total estimate value put to Bid. Where considered necessary the employer may invite the lowest Bidder for negotiations as outlined below:
- 29.2 The Employer may seek break up detail from the lowest responsive Bidder for the rates quoted for the unbalanced items and total Bid amount offered by the Bidder within 10 days time. The Bidder may also be requested to examine the possibility of reducing the rates of high pitched items quoted and the Bid amount to the extent possible.
- 29.3 Then the lowest Bidder has to furnish the breakdown details as required by the Employer within the time limit fixed by the Employer. The Bidder may also reduce the rates of the high-pitched items quoted / high percentages quoted if possible or express his inability to reduce the quoted rates/ percentage rate stating the reasons. A reply shall be furnished within the time limit fixed by the Employer.
- 29.4 If the Employer is satisfied that the details furnished and the reasons stated by the Bidder for his inability to reduce the rates /percentage by the Bidder are reasonable then he may take a decision suitably.
- 29.5 If the Employer feels that the reduced offer is reasonable, suitable action shall be taken to award the work and if the reduced rates offered / percentage rate even after negotiation is considered still to be on the higher side and if the Bidder refuses to reduce further then the Employer may record the reasons and take suitable action to reject the Bids received and to go in for re-Bid
- 29.6 In the event of deciding the award of the lowest evaluated Bidder with unbalanced rates for certain items / percentage which has resulted in the Bid amount being very much less than the estimated value put to Bid, to safeguard the interest of the Employer and to ensure the completion of the work by the Bidder additional security deposit will be collected from the selected Bidder as specified in clause 34.5 of the ITB.

F. AWARD OF CONTRACT:

30. Award Criteria

- 30.1 Subject to clause 32, the employer may award the contract to the successful Bidder whose bid has been determined to be technically acceptable and is the lowest in terms of evaluated bid price.
- 30.2 The employer may request the Bidder to withdraw any of the deviations included in the Bidder's offer at the price shown in the bid price offer.

31. Employer's Right to accept any Bid and to reject any or all Bids

- 31.1 The employer reserves the right to accept or to reject any bid and to annul the bid process and reject all bids at any time prior to award of contract, without thereby incurring any liability to the affected bidders or any obligation to inform the affected Bidders of the grounds for the employer's action.

32. Notification of Award and Signing of Agreement

- 32.1 The Bidder whose Bid has been accepted will be notified of the award by the Employer prior to expiration of the Bid validity period by cable, telex or facsimile confirmed by registered letter. This letter (hereinafter and in the Conditions of contract called the "Letter of Acceptance") will state the sum that the Employer will pay the Contractor in consideration of the execution, completion and maintenance of the Works by the contractor as prescribed by the contract (hereinafter and in the contract called the "Contract Price").
- 32.2 The notification of award will constitute the formation of the Contract, subject only to the furnishing of a Performance Security in accordance with the provisions of clause 34.
- 32.3 The Agreement will incorporate all agreements between the Employer and the successful Bidder. On payment of performance security (as per clause 34.1) by the successful bidder, The Employer will then prepare complete set of documents (agreement) in which the Employer and successful bidder will sign. This exercise of signing the agreement should be completed within 15 days from the date of receipt of the performance security from the successful bidder. The above agreement shall be prepared on a stamp paper of value not less than Rs.20 /-
- 32.4 Upon the furnishing by the successful Bidder of the Performance Security, the Employer will promptly notify the other Bidders that their Bids have been unsuccessful.

33. Performance Security

- 33.1 Within 15 days of receipt of the Letter of Acceptance, the successful Bidder shall deliver to the Employer a Performance Security in any of the forms given below for an amount to be calculated as per clause 34.5 plus additional security for unbalanced Bids in accordance with clause 29.5 of ITB and clause 52 of CC.
- 33.2 An irrevocable bank guarantee in the form given in the Forms of Securities.
- 33.3 The performance security of a consortium shall be in the name of consortium. If the performance security is provided by the successful Bidder in the form of a Bank Guarantee, it shall be issued by a Nationalized / Scheduled Banks
- 33.4 Failure of the successful Bidder to comply with the requirements of sub-clause 34.1 shall constitute sufficient grounds for cancellation of the award and forfeiture of the Bid Security.

34. Advance Payment and Security

- 34.1 The Employer will provide, and Advance Payment on the Contract Price as stipulated in the Conditions of Contract, subject to maximum amount, as stated in the Contract Data.

35. Corrupt or Fraudulent Practices

36.1 Bidders/contractors are to observe the highest of ethics during tendering, procurement and execution of contract.

1. In pursuance of this policy, the employer defines for the purpose of this provision, the terms set forth below as follows:

(i) Corrupt Practice means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution.

(ii) Fraudulent Practice means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the employer and includes collusive practice among bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the employer of the benefits of free and open competition.

2. A proposal / or award will be rejected if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the contract.

36.2 Furthermore, Bidders shall be - aware of the provisions stated in conditions of contract.

The **Start Date** is given in the Contract Data. It is the date when the Contractor shall commence execution of the works. It does not necessarily coincide with any of the Site Possession Dates.

A **Sub-contractor** is a person or corporate body who has a Contract with the contractor to carry out a part of the work in the Contract which includes work on the site.

Temporary Works are works designed, constructed, installed and removed by the Contractor which are needed for construction or installation of the Works.

A **Variation** is an instruction given by the Engineer which varies the Works.

The **Works** are what the Contract requires the Contractor to construct, install and turnover to the Employer, as defined in the Contract Data.

2. Interpretation

In interpreting these conditions of Contract, singular also means plural, male also means female or neuter, and the other way around. Headings have no significance. Words have their normal meaning under the language of the Contract unless specifically defined. The Engineer will provide instructions clarifying queries about the Conditions of Contract.

If sectional completion is specified in the Contract Data, references in the Conditions of Contract to the Works, the Completion Date and the Intended Completion Date apply to any section of the Works (other than references to the Completion Date and Intended Completed date for the whole of the works).

The documents forming the Contract shall be interpreted in the following order of priority:

- (1) Agreement
- (2) Letter of Acceptance, notice to proceed with the works.
- (3) Contractor's Bid
- (4) Contract Data
- (5) Conditions of Contract including Special Conditions of Contract
- (6) Specifications
- (7) Bill of Quantities and
- (8) Any other document listed in the Contract Data as forming part of the Contract

3. Language and Law

The language of the Contract and the law governing the Contract are stated in the Contract Data.

4. Engineer's Decisions

Except where otherwise specifically stated, the Engineer will decide contractual matters between the Employer and the Contractor in the role representing the Employer.

5. Delegation

The Engineer may delegate any of his duties and responsibilities to other people except to the Adjudicator after notifying the Contractor and may cancel any delegation after notifying the Contractor.

6. Communications

Communications between parties which are referred to in the conditions are effective only when in writing. A notice shall be effective only when it is delivered (in terms of Indian Contract Act)

7. Sub-contracting

The Contractor may sub-contract with the approval of the Engineer but may not assign the Contract without the approval of the Employer in writing. Sub-contracting does not alter the Contractor's obligations.

8. Other Contractors

The Contractor shall co-operate and share the site with other contractors, public authorities, utilities, and the Employer between the dates given in the Schedule of other Contractors. The Contractor shall as referred to in the Contract Data, also provide facilities and services for them as described in the Schedule. The employer may modify the schedule of other contractors and shall notify the Contractor of any such modification.

9. Personnel

The Contractor shall employ the key personnel named in the Schedule of Key Personnel as referred to in the Contract Data to carry out the functions stated in the Schedule or other personnel approved by the Engineer. The Engineer will approve any proposed replacement of key personnel only if their qualifications, abilities and relevant experience are substantially equal to or better than those of the personnel listed in the Schedule.

If the Engineer asks the Contractor to remove a person who is a member of the Contractor's staff or his work force stating the reasons the Contractor shall ensure that the person leaves the Site within seven days and has no further connection with the work in the Contract.

Non-employment of Project Manager and other Key Personnel shall be liable for a fine as specified in Contract Data.

10. Employer's and Contractor's Risks

The Employer carries the risks which this Contract states are Employer's risks and the Contractor carries the risks which this Contract states are Contractor's risks.

11. Employer's Risks

The Employer is responsible for the expected risks which are (a) in so far as they directly affect the execution of the Works in the Employer's country, the risks of war, hostilities, invasion, act of foreign enemies, rebellion, revolution, insurrection or military or usurped power, civil war, riot commotion or disorder (unless restricted to the Contractor's employees) and contamination from any nuclear fuel or nuclear waste or radioactive toxic explosive or (b) a cause due solely to the design of the Works other than the Contractor's design.

12. Contractor's Risks

All risks of loss of or damage to physical property and of personal injury and death which arise during and in consequence of the performance of the Contract other than the excepted risks are the responsibility of the Contractor.

13. Insurance

The Contractor shall provide in the joint names of the Employer and the Contractor, insurance cover from the Start Date to the end of the Defects Liability Period, in the amounts and deductibles stated in the Contract Data for the following events which are due to the Contractor's risks:

- (a) loss of or damage to the Works, Plant and Materials;
- (b) loss of or damage to Equipment;
- (c) loss of or damage of property (except the Works, Plant, Material and Equipment) in connection with the Contract; and
- (d) personal injury or death.

Policies and certificates for insurance shall be delivered by the Contractor to the Engineer for the Engineer's approval before the Start Date. All such insurance shall provide for compensation to be payable in the types and proportions of currencies required to rectify the loss or damage incurred.

If the Contractor does not provide any of the policies and certificates required, the Employer may effect the insurance which the Contractor should have provided and recover the premiums the Employer has paid from payments otherwise due to the Contractor or if no payment is due, the payment of the premiums shall be a debt due.

Alterations to the terms of insurance shall not be made without the approval of the Engineer.

Both parties shall comply with any conditions of the insurance policies.

14. Site Investigation Reports

The Contractor, in preparing the Bid, shall rely on any site Investigation Reports referred to in the Contract Data, supplemented by any information available to the Bidder.

15. Queries about the Contract Data

The Engineer will clarify queries on the Contract Data.

16. Contractor to Construct the Works

The Contractor shall construct and install the Works in accordance with the Specification and Drawings and as per instructions of Executive Engineer in charge of the work.

The basic centerlines, reference points and bench marks will be fixed by Employer.

The Contractor shall establish at his cost, at suitable points, additional reference lines, benchmarks as

17. The Works to be Completed by the Intended Completion Date

The Contractor may commence execution of the Works on the Start Date and shall carry out the Works in accordance with the program submitted by the Contractor, as updated with the approval of the Engineer, and complete them by the Intended Completion Date.

18. Approval by the Engineer

The Contractor shall submit Specifications and Drawings showing the proposed temporary Works to the Engineer, who is to approve them if they comply with the Specifications and Drawings.

The Contractor shall be responsible for design of Temporary Works.

The Engineer's approval shall not alter the Contractor's responsibility for design of the Temporary Works.

The Contractor shall obtain approval of third parties to the design of the Temporary Works where required

All Drawings prepared by the Contractor for the execution of the temporary or permanent Works are subject to prior approval by the Engineer before their use.

19. Safety

The Contractor shall be responsible for the safety of all activities on the Site.

20. Discoveries

Anything of historical or other interest or of significant value unexpectedly discovered on the Site is the property of the Employer. The Contractor is to notify the Executive Engineer in charge of works of such discoveries and carry out the Engineer's instructions for dealing with them.

21. Possession of the Site

The Employer shall give possession of all parts of the Site to the Contractor. If possession of a part is not given by the date stated in the Contract Data the Employer is deemed to have delayed the start of the relevant activities and this will be Compensation Event.

22. Access to the Site

The Contractor shall allow the Engineer and any person authorized by the Executive Engineer in charge access to the Site to any place where work in connection with the Contract is being carried out or is intended to be carried out and to any place where material or plant are being manufactured / fabricated / assembled for the works.

23. Instructions

The Contractor shall carry out all instructions of the Executive Engineer in charge which comply with the applicable laws where the Site is located.

The Contractor shall permit the Employer to inspect the Contractor's accounts and records relating to the performance of the Contractor and to have them audited by auditors appointed by the Employer, if so required by the Employer.

24. Disputes

If the Contractor believes that a decision taken by the Engineer was either outside the authority given to the Engineer by the Contract or that the decision was wrongly taken, the decision shall be referred to the Adjudicator with 14 days of the notification of the Engineer's decision.

25. Procedure for Disputes

The Adjudicator shall give a decision in writing within 28 days of receipt of a notification of a dispute.

The Adjudicator shall be paid daily at the rate specified in the Contract Data together with reimbursable expenses of the types specified in the Contract Data and the cost shall be divided equally between the Employer and the Contractor, whatever decision is reached by the Adjudicator. Either party may refer a decision of the Adjudicator to an Arbitrator within 28 days of the Adjudicator's written decision. If neither party refers the dispute to arbitration within the above 28 days, the Adjudicator's decision will be final and binding.

The arbitration shall be conducted in accordance with the arbitration procedure stated in the Special Conditions of Contract.

26. Replacement of Adjudicator

Should the Adjudicator resign or die, or should the Employer and the Contractor agree that the Adjudicator is not fulfilling his functions in accordance with the provisions of the Contract, a new Adjudicator will be jointly appointed by the Employer and the Contractor. In case of disagreement between the Employer and the Contractor, within 30 days the Adjudicator shall be designated by the Appointing Authority designated in the Contract Data at the request of either party within 14 days of receipt of such request.

B. TIME CONTROL

27. Program

Within the time stated in the Contract Data the Contractor shall submit to the Engineer for approval a Program including Environmental Management Plan showing the general methods, arrangements, orders and timing for all the activities in the Works along with monthly cash flow forecast.

An update of the Program shall be a program showing the actual progress achieved on each activity and the effect of the progress achieved on the timing of the remaining work including any changes to the sequence of the activities.

The Contractor shall submit to the Engineer, for approval an updated Program at intervals no longer than the period stated in the Contract Data. If the Contractor does not submit an updated Program within this period, the Engineer may withhold the amount sated in the Contract Data from the next payment certificate and continue to withhold this amount until the next payment after the date on which the overdue Program has been submitted.

The Engineer's approval of the Program shall not alter the Contractor's obligations. The Contractor may revise the Program and submit it to the Engineer again at any time. A revised Program is to show the effect of Variations and Compensations Events.

28. Extension of the Intended Completion Date

The Executive Engineer in charge shall extend the Intended Completion Date if a Compensation Event occurs or a Variation is issued which makes it impossible for Completion to be achieved by the Intended Completion Date without the Contractor taking steps to accelerate the remaining work and which would cause the Contractor to incur additional cost.

The Executive Engineer in charge shall decide whether and by how much to extend the Intended Completion Date within 21 days of the Contractor asking the Executive Engineer in charge for a decision upon the effect of a Compensation Event or Variation and submitting full supporting information. If the Contractor has failed to give early warning of a delay or has failed to co-operate in dealing with a delay, the delay by this failure shall not be considered in assessing the new intended completion date.

29. Deleted

30. Delays Ordered by the Executive Engineer in-charge

The Executive Engineer may instruct the Contractor in writing to delay the start or progress of any activity within the Works.

31. Contract Management Meetings

Contract management should have conducted at least once in a month at the office of the employer. The main aim and purpose of the management meetings shall be to review the mile stones, causes of delay if any and action plan to complete the remaining works and to deal with matters raised in accordance with the early warning procedures.

The Executive Engineer in charge shall record the business of management meetings and is to provide copies of his record to those attending the meeting and tot the Employer. The responsibility of the parties for actions to be taken is to be decided by the Engineer either at the management meeting or after the management meeting and stated in writing to all who attended the meeting.

32. Early Warning

The Contractor is to warn the Executive Engineer in charge at the earliest opportunity of specific likely future events or circumstances that may adversely affect the quality of the work, increase the Contract Price or delay the executions of works. The Engineer may require the Contractor to provide an estimate of the expected effect of the future event or circumstance on the Contract Price and Completion Date. The estimate is to be provided by the Contractor as soon as reasonably possible.

The Contractor shall co-operate with the Executive Engineer in charge in making and considering proposals for how the effect of such an event or circumstance can be avoided or reduced by anyone involved in the work and in carrying out any resulting instruction of the Engineer.

C. QUALITY CONTROL

33. Identifying Defects

The Executive Engineer in charge shall check the Contractor's work and notify the Contractor of any Defects that are found. Such checking shall not affect the Contractor's responsibilities. The Engineer may instruct the contractor to search for a Defect and to uncover and test any work that the Engineer considers may have a Defect.

The contractor shall permit the employer's Technical auditor to check the contractor's work and notify the Executive Engineer in charge and contractor of any defects that are found such a check shall not affect the contractor's or the Engineer's responsibility as defined in the contract Agreement.

34. Tests

If the Executive Engineer in charge instructs the Contractor to carry out a test not specified in the Specification to check whether any work has a Defect and the test shows that it does, the Contractor shall pay for the test and any samples. If there is no Defect the test shall be a Compensation Event.

All pipes, specials, electrical and mechanical items shall be subject to third party inspection at the cost of Employer. The contractor shall provide all necessary details such as manufacturers/supplier's address and location of the manufacturing site well in advance to the Employer for such purpose.

35. Correction of Defects

The Executive Engineer in-charge shall give notice to the Contractor of any Defects before the end of the Defects Liability Period, which begins at Completion and is defined in the Contract Data. The Defects Liability Period shall be extended for as long as Defects remain to be corrected.

Every time notice of a Defect is given, the Contractor shall correct the notified Defect within the length of time specified by the Engineer's notice.

36. Uncorrected Defects

If the Contractor has not corrected a Defect within the time specified in the Executive Engineer's notice, the Executive Engineer will assess the cost of having the Defect corrected and the Contractor will pay this amount.

NOTE: Where in certain cases, the technical specifications provide for acceptance of works within specified tolerance limits at reduced rates, Executive Engineer will certify payments to contractor accordingly.

D. COST CONTROL

37. Bill of Quantities

The Bill of Quantities shall contain items for the construction, installation, testing and commissioning work to be done by the contractor.

The Bill of Quantities is used to calculate the Contract Price. The Contractor is paid for the quantity of the work done at the rate quoted in the Bill of Quantities for each item.

38. Change in the Quantities

If the final quantity of the work done differs from the quantity in the Bill of Quantities for the particular item the payment will be made as per actual quantity executed.

The Executive Engineer shall not adjust rates from changes in quantities if thereby the initial Contract Price is exceeded by more than 10 percent, except with the Prior approval of the Employer.

If requested by the Executive Engineer, the Contractor shall provide the Executive Engineer with a detailed cost breakdown of any rate in the Bill of Quantities.

39. Variations

All variations shall be included in updated Programs produced by the Contractor.

40. Payment for Variations

The Contractor shall provide the Executive Engineer with a quotation (with breakdown of unit rates) for carrying out the Variation when requested to do so by the Engineer. The Engineer shall assess the quotation, which shall be given within seven days of the request or within any longer period stated by the Executive Engineer and before the Variation is ordered.

The Contractor shall not be entitled to additional payment for costs that could have been avoided by giving early warning.

41. Cash flow forecasts

When the Program is uploaded, the contractor is to provide the Executive Engineer with an updated cash flow forecast.

42. Payment Certificates

The Contractor shall submit to the Executive Engineer monthly statements of the estimated value of the work completed less the cumulative amount certified previously along with details of measurement of the quantity of works executed in a tabulated form as approved by the Engineer.

The Executive Engineer shall check the details given in the Contractor's monthly statement and within 14 days certify the amounts to be paid to the Contractor after taking into account any credit or debit for the month in question in respect of material for the works in the relevant amounts and under conditions set forth in Clause 51

The value of work executed shall be determined by the Executive Engineer after due check, measurement of the quantities claimed as executed by the Contractor.

The value of work executed shall comprise the value of the quantities of items in the Bill of Quantities completed.

The value of work executed shall include the valuation of Variations and Compensation Events.

The Executive Engineer may exclude any item certified in a previous certificate or reduce the proportion of any item previously certified in any certificate in the light of later information.

If for any reason, the Contractor or his authorized agent is not available and/ or the work is suspended by Employer, recording of measurements will be done by Employer without the presence of the Contractor or his authorized representatives and the Employer shall not entertain any claim from the Contractor for any loss on this account. If the Contractor or his authorized agent or representative does not remain present at the time of such measurements, after the Contractor has been given a three day notice in writing, such measurements may be taken in his absence and shall be deemed to be accepted by the Contractor.

Payment for the work done by the Contractor will be based on measurements recorded at various stages of the Work. The Contractor or his authorized agent, or representative shall be present at the time of recording of each set of measurements and sign the measurement book or level / field book in token of their acceptance.

43. Payments

Payments shall be adjusted for deductions for advance payments, retention, other recoveries in terms of the contract and deduction at source of taxes as applicable under the law. The Employer shall pay the Contractor the amounts certified by the Executive Engineer.

Items of the Works for which no rate or price has been entered in the contract, will not be paid for by the Employer and shall be deemed to have covered by other rates and prices in the Contract.

Payment will be made by the Employer as indicated in the Contract Data.

44. Deleted

45. Tax

The rates quoted by the Contractor shall be deemed to be basic rates only, Central and state taxes will be followed appropriately.

If any refund is received by the Contractor in respect of duties or taxes with regard to this work (for material and services) such refund should be passed on. To this effect, the Contractor shall furnish a certificate along with each bill.

46. Currencies

46.1 All payments shall be made in Indian Rupees.

47. Price Adjustment

47.1 Contract price shall be adjusted for increase or decrease in rates and price of labour, materials, fuels and lubricants in accordance with the following principles and procedures and as per formula given in the contract data for the works where the period of execution is more than 12 months:

- a) The price adjustment shall apply for the work due to be executed as per milestone quantity of work done from the date of agreement up to end of the initial intended completion date or extensions granted by the Engineer and shall not apply to the work carried out beyond the stipulated time for reasons attributable to the contractor.
- b) The price adjustment shall be determined during each quarter from the formula given in the contract data.
- c) Following expressions and meanings are assigned to the work done during each quarter:

R = Total value of work done during the quarter. It will exclude value for work executed under variations for which price adjustment will be worked separately based on the terms mutually agreed.

48. Retention

The Employer shall retain from each payment due to the Contractor the proportion stated in the Contract Data until completion of the whole of the Works.

On completion of the whole of the Works half the total amount retained is repaid to the Contractor and half when the Defects Liability Period has passed and the Engineer has certified that all Defects notified by the Engineer to the Contractor before the end of this period have been corrected.

On completion of the whole of the Works, the Contractor may substitute retention money (balance half) with an "on demand" Bank Guarantee.

49. Liquidated Damages

The Contractor shall pay liquidated damages to the Employer at the rate per day stated in the Contract Data for each day that the Completion Date is later than the intended Completion Date (for the whole of the works or the milestone as stated in the Contract Data). The total amount of liquidated damages shall not exceed the amount defined in the Contract Data. The Employer may deduct liquidated damages from payments due to the Contractor. Time in the essence of the contract and payment or deduction of liquidated damages shall not relieve the contractor from his obligation to complete the work as per agreed construction program and milestones or from any other of the contractor's obligation and liabilities under the contract.

If the Intended Completion Date is extended after liquidated damages have been paid, the Engineer shall correct any overpayment of liquidated damages by the Contractor by adjusting the next payment certificate.

50. Deleted

51. Advance Payment

The Employer shall make advance payment to the Contractor of the amounts stated in the Contract Data by the date stated in the Contract Data, against provision by the Contractor of an Unconditional Bank Guarantee in a form and by a bank acceptable to the Employer in amounts and currencies equal to the advance payment. The guarantee shall remain effective until the advance payment has been repaid, but the amount of the guarantee shall be progressively reduced by the amounts repaid by the Contractor. Interest will be charged at the rate fixed by the Government of Tamilnadu from time to time on the advance payment.

The Contractor is to use the advance payment only to pay for Equipment, Plant and Mobilization expenses required specifically for execution of the Works. The Contractor shall demonstrate that advance payment has been used in this way by supplying copies of invoices or other documents to the Engineer.

The advance payment shall be repaid by deducting proportionate amounts from payments otherwise due to the Contractor, following the schedule of completed percentages of the Works on a payment basis. No account shall be taken of the advance (mobilization and equipment only) payment or its repayment in assessing valuations of work done, Variations, Price adjustments, Compensation Events or Liquidated Damages.

52. Securities

The Performance Security (including additional security for unbalanced bids) shall be provided to the Employer no later than the date specified in the Letter of Acceptance and shall be issued in an amount and form and by a bank or surety acceptable to the Employer and denominated in Indian Rupees. The Performance Security shall be valid until a date 28 days from the date of expiry of Defects Liability Period and the additional security for unbalanced bids shall be valid until a date 28 days from the date of issue of the certificate of completion. The Bank Guarantee of a Consortium bidder shall be in the name of Consortium.

53. Deleted

54. Cost of Repairs

Loss or damage to the Works or Material to be incorporated in the Works between the Start Date and the end of the Defects Correction periods shall be remedied by the Contractor at the Contractor's cost if the loss or damage arises from the Contractor's acts or omissions. Contractor shall attend to the defect in the work noticed during defects correction period within 3 days from the date of issue of notice to attend to the defects, failing which the defect will be remedied by engaging other Contractors at any cost and that cost will be recovered from the Contractor's money available with the Employer and balance alone will be paid when it is due.

E. FINISHING THE CONTRACT

55. Completion

The Contractor shall request the Engineer to issue a Certificate of Completion of the Works and the Engineer will do so upon deciding that the Work is completed.

56. Taking Over

The Employer shall take over the Site and the Works within seven days of the Engineer issuing a Certificate of Completion.

57. Final Account

The Contractor shall supply to the Engineer a detailed account of the total amount that the Contractor considers payable under the Contract before the end of the Defects Liability Period. The Engineer shall issue a Defect Liability Certificate and certify any final payment that is due to the Contractor within 56 days of receiving the Contractor's account if it is correct and complete. If it is not, the Engineer shall issue within 56 days a schedule that states the scope of the corrections or additions that are necessary. If the Final Account is still unsatisfactory after it has been re-submitted, the Engineer shall decide on the amount payable to the Contractor and issue a payment certificate, within 56 days of receiving the Contractor's revised account.

58. 'As Built' Drawings / Operating and Maintenance Manuals

If "As Built" drawings and / or operating and maintenance manuals are required, the Contractor shall supply them by the dates stated in the Contract Data.

If the Contractor does not supply the Drawings and / or manuals by the dates stated in the Contract Data or they do not receive the Engineer's approval, the Engineer shall withhold the amount stated in the Contract Data from payments due to the Contractor.

59. Termination

The Employer or the Contractor may terminate the Contract if the other party causes a fundamental breach of the Contract.

Fundamental breaches of Contract include but shall not be limited to the following:

- a) the Employer or the Contractor is made bankrupt or goes into liquidation other than for a reconstruction or amalgamation;
- b) the Engineer gives Notice that failure to correct a particular Defect is a fundamental breach of Contract and the Contractor fails to correct it within a reasonable period of time determined by the Engineer;
- c) the Contractor does not maintain a security which is required;
- d) Contractor has delayed the completion of works by the number of days for which the maximum amount of liquidated damages can be paid as defined in the Contract data; and
- e) if the Contractor, in the judgment of the Purchaser has engaged in fraud and corruption in competing for or in the executing the Contract.
- f) The contractor (in case of Consortium) has modified the composition of the Consortium and / other responsibility of each member of the Consortium from what is stated in Consortium agreement without prior approval of the Employer.
- g) Failure of the contractor to achieve two successive milestones.

For the purpose of this paragraph: "corrupt practice" means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the evaluation process or in contract execution. "Fraudulent practice" means a misrepresentation of facts in order to influence a evaluation process or the execution of a contract to the detriment of the Employer and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the Employer of the benefits of free and open competition.

When either party to the Contract gives notice of a breach of contract to the Engineer for a cause other than those listed under Sub-clause 59.2 above, the Engineer shall decide whether the breach is fundamental or not.

Notwithstanding the above, the Employer may terminate the Contract for convenience.

If the Contract is terminated the Contractor shall stop work immediately, make the Site safe and secure and leave the Site as soon as reasonably possible.

60. Payment upon Termination

If the Contract is terminated because of a fundamental breach of Contract by the Contractor, the Engineer shall issue a certificate for the value of the work done less advance payments received up to the date of the issue of the certificate, less other recoveries due in terms of the contract, less taxes due to be deducted at source as per applicable law and less the percentage to apply to the work not completed as indicated in the Contract Data. Additional Liquidated Damages shall not apply. If the total amount due to the Employer exceeds any payment due to the Contractor the difference shall be a debt payable to the Employer.

If the Contract is terminated at the Employer's convenience or because of a fundamental breach of Contract by the Employer, the Engineer shall issue a certificate for the value of the work done, the reasonable cost of removal of Equipment, repatriation of the Contractor's personnel employed solely on the Works, and the Contractor's costs of protecting and securing the Works and less advance payments received up to the date of the certificate, less other recoveries due in terms of the contract and less taxes due to be deducted at source as per applicable law.

61. Property

All materials on the Site, Plant, Equipment, Temporary Works and Works are deemed to be the property of the Employer if the Contract is terminated because of a Contractor's default.

62. Release from Performance

If the Contract is frustrated by the outbreak of war or by any other event entirely outside the control of either the Employer or the Contractor the Engineer shall certify that the Contract has been frustrated. The Contractor shall make the Site safe and stop work as quickly as possible after receiving this certificate and shall be paid for all work carried out before receiving it and for any work carried out afterwards to which commitment was made.

63. Recovery of Dues.

- 63.1 Whenever any amount has to be paid by the contractor in view of termination of contract and by virtue of clause 56.1 above any amount that may be due or may become due from the contractor after recovering from the bills for this work is liable to recover from any other contracts awarded to the contractor and also through the provision of revenue recovery act after issue of notice.

64. Fraud and Corruption

64.1 The Employer requires that Bidders observe the highest standard of ethics during the procurement and execution of such contracts. In pursuance of this policy, the Employer.

(a) Defines, for the purposes of this provision, the terms set forth below as follows:

- (i) "Corrupt practice" means the offering, giving, receiving or soliciting directly or indirectly of anything of value to influence the action of a public official in the procurement process or in contract execution;
- (ii) "Fraudulent practice" means a misrepresentation or omission of facts in order to influence a procurement process or the execution of a contract.
- (iii) "Collusive practice" means a scheme or arrangement between two or more Bidders, with or without the knowledge of the Employer, designed to establish at artificial, non-competitive levels to deprive the employer of the benefit of free and open competition and
- (iv) "Coercive practice" means harming or threatening to harm directly or indirectly, persons or their property to influence their participation in the procurement process or affect the execution of the contract.

(b) Will reject a proposal for award if it determines that the Bidder recommended for award has directly or through an agent, engaged in corrupt, fraudulent, collusive, or coercive practices in competing for the contract in question;

(c) Will declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded any contract if he at any time determines that the firm directly or through an agent engaged in corrupt, fraudulent, collusive or coercive practices in competing for, or in executing any contract.

F. SPECIAL CONDITIONS OF CONTRACT

Part I

65. Labour:

The Contractor shall, unless otherwise provided in the Contract, make his own arrangements for the engagement of all staff and labour, local or other, and for their payment, housing, feeding and transport.

The Contractor shall, if required by the Engineer, deliver to the Engineer a return in detail, in such form and at such intervals as the Engineer may prescribe, showing the staff and the numbers of the several classes of labour from time to time employed by the Contractor on the Site and such Other Information As The Engineer May Require.
